

Infants & Toddlers Needed

Participate in Research Earn Money

Eligible candidates must have been diagnosed with Down syndrome and be between 3 months and 3.5 years of age.

Pearson is testing out a new version of a trusted infant & toddler assessment tool called the Bayley Scales of Infant & Toddler Development. We are seeking parents who, along with their infant or toddler, are willing to complete a fun assessment.

- ✓ **Parents will complete a questionnaire about their child's development**
- ✓ **Infant and toddler candidates will perform motor and developmental tasks through play**
- ✓ **Earn a \$30-\$50 prepaid MasterCard**
- ✓ **Test administration time is 30-90 minutes**

Accepting candidate referrals – you could earn a \$15 bonus for referring a qualified candidate who completes a test!
