- Many teams choose to set up a tailgate spot as a meeting/hang out space for their group.
- Any team is welcome to set up in the designated tailgate area located in the **Sienna South Blue Lot** (starred area) on a first come, first served basis beginning at **9 am** only.
- Early tailgaters will **not be** permitted without an early access pass. Please do not arrive prior to the scheduled time as it hinders the flow of traffic and vendor access.
- Tailgaters will be permitted to use the carpool drive & drop unloading entrance at Main Street and Bison Blvd. from **9-10 am only**. Volunteers will be on hand to assist with unloading.
- Once items are quickly unloaded, please proceed directly to parking to keep traffic moving. Tailgaters are permitted to carry items from their parking space into the tailgate from 9 am and later. You are not required to use the carpool unloading entrance.
- **Bison Blvd. will close to thru traffic at 10 am.** After 10 am, tailgaters will only be permitted to carry in items from their parking space.
- No vehicles are permitted in the designated tailgate area.
